---

## COVID-19 Protocols

Dear customers,

We are working hard to maintain a safe and clean shop, to protect you, our staff, and our community. The following is a list of protocols we have currently in place:

- Staff members wear masks while in store.
- Staff members regularly wash/sanitize hands.
- Staff members will not come to work if they are feeling ill or have recently travelled.
- Customers are expected to wear masks while in store (as is mandated by the Province's Ministry of Health).
- Customers have access to hand sanitizer provided by us.
- Customers are asked not to enter if they are feeling ill or have recently travelled.
- Surfaces and handles are disinfected regularly (this includes: checkout counter, card reader, cash register, doorknobs, fridge and freezer handles, shopping baskets, phones, staff washroom, etc.).
- Capacity is limited to a maximum of 6 customers at any given time, to prevent crowding and facilitate physical distancing.
- We are accepting cash. All cash is sanitized daily, and only disinfected cash/coins are given as change.
- We ventilate the store by periodically keeping front and back doors open to maintain airflow.
- We offer delivery so that we can mitigate in-store customer traffic and encourage people to stay home as much as possible (for more information, visit our website: [www.celtictreasurechest.com](http://www.celtictreasurechest.com)).

We thank you all for your cooperation,  
and for helping us stay open!
